## SAVE OUR SOUTH LONDON LINE

We, the supporters of the South London Line call upon Mayor Boris Johnson as Chair of Transport for London to rescind his decision to remove this vital train service which runs between Victoria and London Bridge via Battersea Park, Wandsworth Rd, Clapham High Street, Denmark Hill, Peckham Rye, Queens Rd Peckham and South Bermondsey.

Furthermore we call upon the Mayor and the Department for Transport to extend the platform lengths at Clapham High Street and Wandsworth Road stations to allow the existing Dartford to Victoria services to call there. We also call on them to consider extending the existing SLL service beyond London Bridge to Charing Cross.

We call upon our local Councils to join us in lobbying the Mayor of London for the retention of the South London Line Services.
